Laundry and Ironing Services:

Professional Laundry and Ironing services tailored to you.

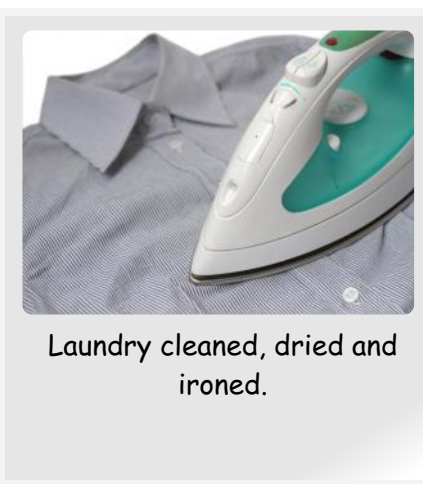

Clean Bed Linen, Towels and Clothes:

There is nothing quite like slipping into clean freshly ironed bed linen for great nights sleep, but sometimes it's just not convenient to get the all the laundry done all together. That's where The Little Cleaning Company comes in because we can offer you a full professional laundry and ironing service.

We will collect all your dirty clothes and sheets etc and deliver them to our laundry centre where they will be treated to professional cleaning and drying and of course we are only too happy to oblige if you need non-bio washes. Once your items are clean and dry, we can get them ironed for you as well, meaning all you have to do is decide what to where and when.

Our collection and delivery service is completely FREE when your order totals £15 or more.

Whatever your requirements we are confident of being able to provide professional cleaning services at very competitive rates. Why not call us now and get a FREE no obligation quotation.
